*RE: UM 1908 – QWEST CORPORATION, UNITED TELEPHONE COMPANY OF THE NORTHWEST, CENTURYTEL OF OREGON, and CENTURYTEL OF EASTERN OREGON, Joint Petition for Approval of Price Plan Pursuant to ORS 759.255 and Partial Exemption Pursuant to ORS 759.052.*

To whom this may concern:

In the attached confidential and redacted documents, CenturyLink files call logs from the toll-free, 24/7 dedicated customer support line for the period of September 28, 2022, through January 17, 2024. This response goes back to the date of deployment of the toll-free, 24/7 dedicated customer support line because a manual process was added to collect and present additional information that the Commission in Order 23-109 (the “Order”) indicated was lacking from prior reporting.

This filing for the current two-week period is delayed due to leave of key personnel supplying portions of this analysis. The regularly scheduled cadence will resume on Monday, February 5, 2024. If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Peter Gose  
Director State and Local Government Affairs
