Re: UM 1908– Price Plan Proposed Schedule

As you requested in the December 8, 2022 memorandum, Oregon Public Utility Commission Staff (Staff) files this proposed schedule for the investigation into Lumen’s price plan. While we cannot represent this is agreed to by all parties, it was circulated it to the service list. Staff was made aware of two scheduling conflicts and struggled to find days and times where all parties are available. Despite this, Staff believes its proposed schedule will allow the highest potential rate of docket participation.
