MEMORANDUM REGARDING
SEPARATE TRACKS IN DOCKET

On December 8, 2022, I issued a memorandum in this proceeding establishing the date for the pre-hearing conference for the Price Plan Investigation. In accordance with the memorandum issued by Chief Administrative Law Judge Moser on November 4, 2022, the consolidated dockets UM 1908 and UM 2206 are proceeding in two separate and parallel tracks in the lead docket, UM 1908: 1. the hearing relating to Order Nos. 22-340 and 22-422, and 2. the investigation into Lumen Technologies' price plan. This memorandum is a reminder that the prehearing conference scheduled for December 16, 2022, at 2:00 p.m. is related to Lumen's price plan investigation and not the hearing relating to Order Nos. 22-340 and 22-422. Parties should also ensure that their filings are marked as either "Hearing Relating to Order Nos. 22-340 and 22-422" or "Price Plan Investigation," to ensure that they are properly filed.

Dated this 14th day of December, 2022, at Salem, Oregon.
