RE: UM 1927 – Cascade Natural Gas Corporation’s Supplement

In response to Public Utility Commission of Oregon staff’s March 22, 2018 email requesting each utility to supplement its federal income tax deferral filing, Cascade Natural Gas (Cascade) provides the following:

- Cascade’s 2018 estimate based on its 2018 projected results of operations, using a with and without tax reform, results in a tax savings estimate of \$150 - \$250 thousand.

The above information is provided as a supplement to Cascade’s deferral application filed on December 29, 2017, in the above-referenced docket.

If you have any questions concerning the submittal, please contact Michael Parvinen at (509) 734-4593.

Sincerely,
