**Re: Supplemental Tariff Advice No. 18-05 – Schedule 56
Docket No. UE 336 – Idaho Power Company’s 2017 Annual Power Supply
Expense True-Up**

Attention Filing Center:

Concurrent with the Supplemental Direct Testimony filed in the above-referenced docket, Idaho Power Company (“Idaho Power” or “Company”) transmitted a revised Schedule 56, Power Cost Adjustment Mechanism, with an effective date of June 1, 2018. During settlement negotiations in Docket No. UE 336, the Company discovered an error in the rates reflected on the proposed Schedule 56; Idaho Power inadvertently expressed the rates on a \$/kilowatt-hour (“kWh”) basis rather than on a cents/kWh basis. The Company is transmitting a revised Schedule 56 to correct for the error.

Please contact this office with any questions.

Very truly yours,
