Request to Update its Schedule 201 and
Standard Power Purchase Agreements.

RULING

DISPOSITION: PREHEARING CONFERENCE CANCELED

On December 21, 2019, Portland General Electric Company filed an unopposed motion to postpone the prehearing conference scheduled in this docket. PGE requests expedited consideration because, under the current schedule, the prehearing conference is scheduled for December 27, 2018. PGE requests postponement so that parties will have an opportunity to review and discuss PGE's filing during upcoming workshops. PGE asks for the prehearing conference to be rescheduled during the first week of February 2019.

In support of its motion, PGE states that it has conferred with Commission Staff, the Alliance of Western Energy Consumers, the Northwest & Intermountain Power Producers Coalition, the Renewable Energy Coalition, the Community Renewable Energy Association, and the Oregon Citizens' Utility Board, all of whom support the motion.

For good cause shown, PGE's motion is granted. The prehearing conference on December 27, 2018 is canceled. We will contact stakeholders to reschedule the conference during the first week of February,

Dated this 24th day of December, 2018, at Salem, Oregon.
