AGENDA

- I. Review the actions directed in Order No. 19-217, p. 2:
 - “2. PacifiCorp, PGE, and Idaho Power shall include the DER connected capacity and DER capacity in queue with the September 1, 2019 data submission.
 3. Staff shall provide a report back and recommendation on the handling and publication of sensitive data no later than the August 13, 2019 Public Meeting.
 4. Staff shall work with PGE and Idaho Power to ensure that interconnection study reports are published as they are completed, with priority placed on those reports that will provide the most useful information to Staff and interested stakeholders.”
- II. Confirm topics for future meetings
- III. Set meeting dates for August through December
