UM 2000 Broad Investigation of PURPA Phase 0 Straw Proposal Workshop Notice

This letter notifies parties that the Optional Phase 0 Workshop proposed in [Staff's April 6 Phase 0 Update & Straw Proposal](#) will be held this Friday, April 28 from 1-3PM. During the workshop, Staff will seek to explore the potential benefits and/or harms from:

- Expanding the capacity ratio eligibility requirement
- Limiting the storage duration eligibility requirement
- Allowing annual and/or post-IRP acknowledgment peak hour updates
- The 50MW cap on total QF capacity allowed for standard contracts under the interim S+S rate

Along with these issues identified for discussion by Staff, stakeholders will be given the opportunity to present their comments and discuss other stakeholder comments. This meeting will be recorded and made available to those unable to attend.
