

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

**UM 2011**

In the Matter of

PUBLIC UTILITY COMMISSION OF  
OREGON,

General Capacity Investigation.

MEMORANDUM

To date, this proceeding has been conducted as a non-contested case. The procedural schedule issued on October 27, 2020 provided for the filing of a report from E3 and Staff comments with a procedural conference to follow. E3's report was filed December 16, 2020, and Staff filed comments on January 14, 2021. A procedural conference is scheduled for January 25, 2021. As indicated in the memorandum issued October 27, 2020, the status of this docket will be reevaluated during this procedural conference in establishing the schedule for the next phase of this proceeding.

To facilitate this evaluation, I request that Staff and any interested persons be prepared to address the below items at the January 25, 2021 procedural conference. These topics are intended to develop an understanding of stakeholder perspectives regarding how the next phase of this proceeding should be conducted, the intended outcomes of this proceeding, any future applications of the results of this proceeding, and/or any subsequent process.

1. **Scope:** The issues presented for resolution in the next phase of this proceeding and any issues identified but not proposed for resolution in this phase.
2. **Process:** Proposed process for the remainder of the next phase of the proceeding, including the procedural milestones that would be included under the requested process. Please plan to address whether there are any specific issues warranting a particular process, and why.
3. **Outcomes:** The intended result of the next phase of this proceeding and any subsequent actions, including any subsequent process, and where and how the results of the next phase of this proceeding might be applied.

Dated this 15th day of January, 2021, at Salem, Oregon.
