RE: Supplemental Filing of Advice No. 19-33, Updating Schedule 4, Multifamily Water Heater Pilot Extension

Portland General Electric Company (PGE) submits this supplemental filing to correct a statement in the initial cover letter filed on November 25, 2019, that the participant cap would increase by 10% to 10,000 from the current 8,000 units. The math is incorrect and should be an increase of 25% or 2,000 units. This does not impact the tariff sheets, therefore, the sheets remain as previously filed.

Should you have any questions or comments regarding this filing, please contact Kalia Savage at (503) 464-7432. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pgn.com.

Sincerely,
