RE: Supplemental Filing of Advice No. 20-18, NEW Schedule 8, Residential Electric Vehicle Charging Pilot

Portland General Electric Company (PGE) submits this filing pursuant to Oregon Revised Statutes (ORS) 757.205 and 757.210 and Oregon Administrative Rule (OAR) 860-022-0025 for filing proposed tariff sheets associated with Tariff P.U.C. No. 18. PGE initially filed Advice No. 20-18 on July 15, 2020 with a requested effective date of October 23, 2020, which remains as originally filed. PGE is submitting this Supplemental Filing to make corrections to the Table of Contents due to pancaking of approved Sheet No. 1-1 in Advice Nos. 20-23* and 20-26**.

Enclosed is the following replacement sheet.

Twenty Ninth Revision of Sheet No. 1-1

All other sheets remain as previously filed.

To satisfy the requirements of OAR 860-022-0025(2), PGE responds as follows:

Schedule 8 does not increase, decrease, or otherwise change existing retail rates or have anything other than a de minimis impact on revenues.

Due to the requested effective date and the less than 30-day notice, PGE is also submitting an application requesting a waiver of legal statutory notice, pursuant to ORS 757.220 and OAR 860-022-0020.

* The Twenty Eighth Revision of Sheet No. 1-1 was approved in PGE Advice No. 20-23 (manually corrected from the Twenty Seventh Revision), which was effective on October 7, 2020.

** The Twenty Seventh Revision of Sheet No. 1-1 was approved in PGE Advice No. 20-26, which was effective on October 1, 2020.

Supplemental Filing of Advice No. 20-18, NEW Schedule 8,
Residential Electric Vehicle Charging Pilot
