RE: Advice No. 20-18

On October 12, 2020, the Oregon Public Utility Commission approved Portland General Electric's (PGE) filing in Advice No. 20-18, with an effective date of October 23, 2020. On December 20, 2021, PGE filed an addendum to Advice No. 20-18 in ADV 1151, proposing to change a reporting date to 2023. The Chief Administrative Law Judge has been delegated the authority to modify time lines specified in a Commission order.¹ Exercising that authority, I find good cause to approve PGE's proposed change in dates for Advice No. 20-18, modifying the approval granted by the Commission on October 12, 2020. A receipted copy of the allowed sheet(s) in your advice filing is attached.
