**RE: Advice No. 21-003 / UM 1930—Community Solar Program Purchase Agreement Revisions**

On January 11, 2021, PacifiCorp d/b/a Pacific Power (PacifiCorp or the Company) filed with the Public Utility Commission of Oregon (Commission) Advice 21-002<sup>1</sup> proposing revisions to both Schedule 127, Community Solar Program – Option Participation for Qualifying Customers (Schedule 127), and its Community Solar Program (CSP) Purchase Agreement. To allow for Commission Staff to consider the revisions to Schedule 127 and the CSP Purchase Agreement separately, on January 27, 2021, PacifiCorp resubmitted the revised CSP Purchase Agreement for filing in Advice 21-003 and docket UM 1930 with an effective date of February 24, 2021. On February 22, 2021, the Company submitted a filing to modify the requested effective date for the proposed CSP Purchase Agreement revisions to March 24, 2021.

On March 11, 2021, Staff scheduled a workshop to be held on March 29, 2021, for docket UM 1930 to discuss CSP issues, including the proposed revisions to the CSP Purchase Agreement filed by both Portland General Electric Company and PacifiCorp. Considering this upcoming workshop, the Company submits this filing to modify the requested effective date for its proposed CSP Purchase Agreement revisions to April 21, 2021.
