Idaho Power Company Energy Affordability 2023 Updates and Discussion

Summary

During Idaho Power's third HB 2475 workshop, the Company has invited Hassan Shaban from Empower Dataworks to briefly discuss the scope of work and estimated timeline of the low income needs assessment that his organization has been contracted to perform for Idaho Power's service area. Additionally, the Company also plans to present a recent update to its Project Share program as well as seek feedback on a proposal to expand its weatherization assistance program's eligibility requirements. Finally, the Company will provide an overview of the various forums currently utilized to engage with customers and conduct educational outreach.

Agenda

1. Introductions and Recap
2. Low Income Needs Assessment Overview
3. Idaho Power's Project Share Update
4. Proposed Expansion of Weatherization Assistance Program Eligibility
5. Customer Education and Engagement Forums
6. Open Discussion
