BEFORE THE PUBLIC UTILITY COMMISSION

OF OREGON

In the Matter of	UM 2211
	ROGUE CLIMATE'S REQUEST FOR FINAL PAYMENT OF HB 2475 FUNDING GRANT
Implementation of House Bill 2475 - Differential Rates	

Pursuant to Order 23-015 (January 31, 2023) approving Rogue Climate's (RC) proposed budget in this docket, RC is eligible for a funding in the amount of $2,400.00 from the Interim HB 2475 Intervenor Fund.

As stated in the interim agreement approved in Order No. 22-043, to receive payment for a grant fund approved, a grantee must submit a request for payment to the Commission and serve the relevant Utilities. The request for payment must: 1) itemize the expenses, payees and hourly rates; 2) demonstrate that the expenses are reasonable and directly attributed to the issues pursued and consistent with the proposed/approved budget; and 3) specify if the requested payment is for a progress payment or final payment.

RC submits herewith directly to the commission and relevant Utility PacifiCorp a confidential statement of itemized expenses which includes the hourly rates and time directly attributed to the issues and positions pursued consistent with Rogue Climate's approved budget

for eligible expenses incurred since January 1, 2022. The itemized report is designated

Attachment A. Based upon that itemized statement, RC is seeking approval of a final payment

in the amount of $2,400.

The expenses incurred are reasonably and directly related to the issues and positions RC

addressed in UM 2211 on behalf of environmental justice residential customers of PacifiCorp, as

further indicated in the time descriptions listed in Attachment A. This request seeks a final full

payment for the expenses incurred in UM 2211.

This 9th day of March, 2022
