OF OREGON**

UE 399

In the Matter of

PACIFICORP dba PACIFIC POWER,

Request for a General Rate Revision.

BENCH REQUEST

On March 1, 2022, PacifiCorp filed a request for a general rate revision. Recognizing that PGE has numerous deferral requests and amortizations in various stages before the Commission, the following questions are intended to facilitate a complete understanding of the status of PacifiCorp's pending deferrals and amortizations.

1. Please provide a comprehensive list of all current deferral requests (both pending requests and those authorized by the Commission). For each deferral, indicate the dates for (a) the initial request, (b) any renewal requests, (c) any Commission authorizations, and (d) any anticipated renewal requests.
2. For any authorized deferrals not yet subject to amortization, please provide the current deferred balance, confirm when PacifiCorp anticipates that total deferred costs will be known, and indicate when the company anticipates requesting amortization. Additionally, for each authorized deferral not yet subject to amortization, confirm whether PacifiCorp proposes amortization in this proceeding, and explain why or why not.
3. For any authorized deferrals currently subject to amortization, identify where such costs are being amortized.

PacifiCorp is directed to file responses by 3:00 p.m. on April 11, 2022. Any replies to PacifiCorp's responses must be filed by 3:00 p.m. on April 17, 2022.

Dated this 30th day of March, 2022, at Salem, Oregon.
