SUBJECT: AVION WATER COMPANY INC.:
(Docket No. ADV 1522/Advice No. 23-02)
Corrects Typographical Errors in Schedule 18.

I have reviewed this filing and recommend that an acknowledgement letter be sent. With this filing, Avion Water Company Inc. (Avion) notifies the Commission of typographical errors found in its previous filing under Docket No. 1486 related to its Schedule 18 Tariff.

Issue

Whether to accept the revised Schedule 18 Tariff, Sheet 27, due to typographical errors in its original filing.

Applicable Rule or Law

Under ORS 757.205(1)-(2), a rate-regulated water utility must file schedules showing all rates, tolls, and charges for any service performed by it within the state and all rules and regulations that in any manner affect its rates.

Pursuant to ORS 757.210, the Commission may approve tariff changes if they are deemed to be fair, just, and reasonable. Tariff revisions may be made by filing revised sheets with the information required under the Commission's administrative rules, including OAR 860-036-2010.

Analysis

During a review and implementation of Commission approved Schedule No. 18 Tariff, Avion found two errors in Exhibit A, Sheet No. 27. Both are related to addresses incorrectly listed under the tariff. Specifically, a formatting error which inadvertently removed one of the eligible addresses, and incorrect tax lot information be entered into Avion's billing system.

Staff conferred with Avion and confirmed that no services were directly affected, this is only an administrative change.

Conclusion

This filing complies with applicable laws and is a simple correction in the Tariff. There are no changes in rates or of rights of customers in the revised pages. As such, the revised Schedule 18, Exhibit A, Sheet 27, should be accepted and replaced in Avion's current Tariff book.
