September 19, 2023

Parties to Docket No. ADV 1534/Advice No. 23-016,

This notice updates the schedule for this docket, including a deadline for written comments from interested parties by October 2, 2023, in advance of addressing the advice filing at the public meeting on October 17, 2023. Comments may still be submitted after October 2, but Staff will only be able to include comments submitted before the deadline in its public meeting report.

Staff acknowledges the request for public engagement made on behalf of Amazon Data Services, Inc. (ADS) and invites participation in the public meeting process. Staff notes that this docket is not designated as a contested case, and Staff appreciates an opportunity to consider stakeholder comments before making a recommendation. However, Staff declines to extend the docket schedule further to include a workshop or stakeholder meeting. Stakeholders will have an opportunity to make public comment at the public meeting on October 17th.

Staff looks forward to parties' engagement leading up to the October 17 public meeting. Please contact the undersigned with any questions.

Sincerely,

Madison Bolton
Senior Energy and Policy Analyst
