

**BEFORE THE PUBLIC UTILITY COMMISSION  
OF OREGON**

**Docket No. UM 2305**

GREEN SOLAR, LLC,

Complainant,

v.

PACIFICORP d/b/a PACIFIC POWER,

Defendant.

GREEN SOLAR’S MOTION FOR  
EXPEDITED CONSIDERATION OF  
COMPLAINT

Pursuant to OAR 860-082,0085(12), 860-001-420, and OAR 860-001-0090,<sup>1</sup> Green Solar, LLC (“Green Solar”), hereby moves the Oregon Public Utility Commission (“OPUC” or the “Commission”) for expedited consideration of its complaint for relief against PacifiCorp d/b/a Pacific Power (“PacifiCorp”).

The Green Solar community solar facility completed construction in May of 2023 and has been awaiting interconnection from PacifiCorp. PacifiCorp has delayed the interconnection several times as outline in the complaint and is attempting to delay further, causing and continuing to cause harm to Green Solar and future Community Solar Program customers. The timelines and arguments can all be found in the Green Solar Complaint for Enforcement filed in this docket on April 12, 2024.

---

<sup>1</sup> OAR 860-001-0000(1) (“The Oregon Rules of Civil Procedure (ORCP) also apply in contested case and declaratory ruling proceedings unless inconsistent with these rules, a Commission order, or an Administrative Law Judge (ALJ) ruling.”); OAR 860-001-0090 (1)(g) (“The Commission delegates to the ALJ authority to... [d]ecide procedural matters.”).

Green Solar is proposing the following schedule:

- Green Solar filed complaint – April 12, 2024
- PacifiCorp files answer – April 19, 2024
- Green Solar files Motion for Summary Judgment – April 25, 2024
- PacifiCorp files Response to Green Solar’s Motion for Summary Judgment – May 2, 2024
- Green Solar files Reply to PacifiCorp’s Response to Green Solar’s Motion for Summary Judgment – May 6, 2024
- Commission Order by May 13, 2024.

Green Solar has conferred with PacifiCorp regarding expedited consideration, and PacifiCorp does not support the expedited schedule.

### **CONCLUSION**

For the reasons articulated above, the Commission should grant Green Solar’s motion for expedited consideration to limit the damages to both Green Solar and the Oregon Community Solar Program customers.

Dated this 12th day of April 2024.

Respectfully submitted,

Sanger Law, PC
