**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 426

In the Matter of
IDAHO POWER COMPANY,
Application for a General Rate Revision

**MOTION TO ADMIT FIRST PARTIAL
STIPULATION AND REQUEST FOR
WAIVER**

1 Concurrent with this Motion and Request for Waiver, Idaho Power Company
2 (“Idaho Power”) is filing the First Partial Stipulation reflecting the agreement of the parties
3 to this case—Idaho Power Company, Staff of the Public Utility Commission of Oregon
4 (“Staff”), the Oregon Citizens’ Utility Board (“CUB”), Community Energy Project (“CEP”)
5 and the J.R. Simplot Company (“Simplot”) (collectively, the “Stipulating Parties”)—
6 regarding all but one issue raised in Idaho Power’s general rate case. Accordingly, Idaho
7 Power, on behalf of the Stipulating Parties, requests that the Administrative Law Judge
8 issue a ruling admitting the First Partial Stipulation into the record as evidence in this
9 proceeding, and further requests a waiver of the requirement in OAR 860-001-0350(7)
10 that settlements between parties be accompanied by joint testimony or a supporting brief
11 when filed. Idaho Power has consulted with the Stipulating Parties, and the Stipulating
12 Parties support this Motion and Request for Waiver.

13 The Stipulating Parties seek to file the First Partial Stipulation immediately, in order
14 to notify the Commission and interested parties that the Stipulating Parties have resolved
15 all but one issue raised in the Company’s general rate case filing. The Stipulating Parties
16 plan to file joint testimony supporting the Stipulation on or around May 24, 2024.
17 Accordingly, the Stipulating Parties ask for a waiver of the requirement in OAR 860-001-

1 0350(7) that the First Partial Stipulation be accompanied by supporting testimony at the
2 time of filing.

3 For the foregoing reasons, Idaho Power asks the ALJ to accept the First Partial
4 Stipulation for filing and waive the requirement in OAR 860-001-0350(7) that a supporting
5 joint brief or testimony be filed contemporaneously.
