

**BEFORE THE PUBLIC UTILITY COMMISSION
OF OREGON**

UE 426

In the Matter of

IDAHO POWER COMPANY,

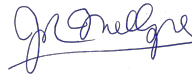

Request for a General Rate Revision.

MEMORANDUM

On May 16, 2024, Idaho Power Company, on behalf of Commission Staff, Oregon Citizens' Utility Board, Community Energy Project, and J.R. Simplot Company (collectively, Stipulating Parties), filed a motion to admit the first partial stipulation and request for waiver of OAR 860-001-0350(7). The motion indicates the Stipulating Parties support the motion and waiver request but does not indicate the position of other parties. As this is a procedural motion, any response is due within 7 days.¹

Additionally, OAR 860-001-0350(8) contemplates stipulation objections to be filed within 15 days of the date the stipulation is filed. I anticipate adjusting the deadline to file an objection based on the date that supporting testimony and/or briefing are filed.

Dated this 16th day of May, 2024, at Salem, Oregon.

John Mellgren
Administrative Law Judge

¹ OAR 860-001-0420(4).
