**WAH CHANG'S
PETITION TO INTERVENE
(and Waiver of Paper Service)**

Pursuant to ORS 756.525 and OAR 860-012-0001, Wah Chang, a division of TDY Industries, Inc., a California corporation, petitions the Public Utility Commission of the State of Oregon (the "Commission") to intervene in this proceeding with full party status as described in OAR 860-011-0035. In support of this petition, Wah Chang states:

1.

Wah Chang manufactures specialty metals and chemicals at its plant in Millersburg, Oregon. Wah Chang is an industrial customer of PacifiCorp. As a customer of an electric public utility subject to supervision and regulation by the Commission, Wah Chang has an interest in the Commission's authority to redress past rates. In particular, Wah Chang seeks such redress in *Wah Chang v. PacifiCorp*, Docket UM 1002.

PORTLAND DOCKETING SPECIALIST, LANE POWELL PC
docketing-pdx@lanepowell.com

3.

Wah Chang has a direct and substantial interest in this proceeding, in which the Commission has announced it will begin an investigation into its delegated authority to engage in retroactive ratemaking. *In re Application of Portland General Electric Co. for an Investigation into Least Cost Plan Plant Retirement*, DR10/UE88/UM 989, Order 07-157 at 9 (April 19, 2007). The Commission has observed that “[g]iven the generality and breadth of this issue, we expect that other parties, in addition to those now active in these joint remand proceedings, will want to participate.” *Id.*

4.

Wah Chang’s participation in this docket could assist the Commission in resolving the issues. Wah Chang will not unreasonably broaden the issues, burden the record, or unreasonably delay the proceedings.

5.

Because no other party can adequately represent Wah Chang’s interests in this proceeding, Wah Chang respectfully requests that the Commission grant this Petition to Intervene.
