DISPOSITION: PREHEARING CONFERENCE POSTPONED

Pursuant to the ruling, dated August 31, 2004, that establishes a scope for the first phase of reopened proceedings in the above captioned dockets (Ruling), a consolidated prehearing conference was scheduled for September 24, 2004. The purpose of the prehearing conference was to set a future procedural schedule in these remand proceedings. On September 13, 2004, the Utility Reform Project (URP) and class action intervenors, Morgan, Gearhart and Kafoury Brothers, LLC (MGK) filed a motion for certification of the Ruling to the Public Utility Commission of Oregon (Motion). Replies to this Motion are due by September 28, 2004.

As the Motion may still be pending on September 24, 2004, there is good cause to postpone the prehearing conference currently scheduled for that day. Should it be necessary, the consolidated prehearing conference will be rescheduled and a notice of the rescheduled prehearing conference will be issued in the above referenced dockets

Dated at Salem, Oregon, this 16th day of September, 2004.
