The Citizens' Utility Board of Oregon (CUB) releases its grant of \$20,000 from the PacifiCorp 2016 Issue Fund. On February 25, 2016, CUB submitted a proposed total budget of \$25,000, \$20,000 of which was requested from the PacifiCorp 2016 Issue Fund. On February 29, 2016, the Commission approved CUB's proposed budget in Order No. 16-079. Though CUB will continue working on this docket, CUB is requesting that the \$20,000 request from the PacifiCorp Issue Fund be released and made available for other PacifiCorp dockets. Specifically, CUB will be submitting a new budget request to the PacifiCorp MSP 2016 Issue Fund for UM 1586.

Dated this 22nd day of June, 2016

Respectfully submitted,

Executive Director
Citizens' Utility Board of Oregon
