UM 1050

In the Matter of

PACIFICORP, dba PACIFIC POWER,

Request to Initiate an Investigation of Multi-
Jurisdictional Issues and Approve an Inter-
Jurisdictional Cost Allocation Protocol.

RULING

DISPOSITION: PRECERTIFIED INTERVENOR RESPONSES INVITED

On December 16, 2019, Small Business Utility Advocates (SBUA) filed a petition to intervene in this docket, and that petition was granted by ruling on December 30, 2019. On January 10, 2020, SBUA filed a request to be case-certified as a party eligible to receive issue fund grants and a proposed budget.

Intervenor funding is governed by the Intervenor Funding Agreement; the latest version of which (The Fourth Amended and Restated Intervenor Funding Agreement) was adopted by the Commission in docket UM 1929, through Order No 18-017. This agreement permits potential intervenors to request certification from the Commission to receive intervenor funding, should the intervenor qualify for funding, consistent with Article 5. Section 6.2 of the agreement states that “the Commission may request precertified intervenors to provide a response to the motion on whether the application meets the requirements set forth in Section 5.3.”¹

I invite precertified intervenors to provide a response to SBUA’s request no later than January 24, 2020. SBUA may file a reply to any response no later than February 6, 2020.

Dated this 10th day of January, 2020 at Salem, Oregon.

Nolan Moser
Chief Administrative Law Judge

Attachment: Notice of Contested Case Rights and Procedures

¹ *In the Matter of Public Utility Commission of Oregon, Approval of the Fourth Amended and Restated Intervenor Funding Agreement, Order No. 18-017, Appendix A at 18 (Jan 17, 2018).*

NOTICE OF CONTESTED CASE RIGHTS AND PROCEDURES

Oregon law requires state agencies to provide parties written notice of contested case rights and procedures. Under ORS 183.413, you are entitled to be informed of the following:

Hearing: The time and place of any hearing held in these proceedings will be noticed separately. The Commission will hold the hearing under its general authority set forth in ORS 756.040 and use procedures set forth in ORS 756.518 through 756.610 and OAR Chapter 860, Division 001. Copies of these statutes and rules may be accessed via the Commission's website at www.puc.state.or.us. The Commission will hear issues as identified by the parties.

Right to Attorney: As a party to these proceedings, you may be represented by counsel. Should you desire counsel but cannot afford one, legal aid may be able to assist you; parties are ordinarily represented by counsel. The Commission Staff, if participating as a party in the case, will be represented by the Department of Justice. Generally, once a hearing has begun, you will not be allowed to postpone the hearing to obtain counsel.

Notice to Active Duty Servicemembers: Active Duty Servicemembers have a right to stay these proceedings under the federal Servicemembers Civil Relief Act. For more information contact the Oregon State Bar at 800-452-8260, the Oregon Military Department at 503-584-3571 or the nearest United States Armed Forces Legal Assistance Office through <http://legalassistance.law.af.mil>. The Oregon Military Department does not have a toll free telephone number.

Administrative Law Judge: The Commission has delegated the authority to preside over hearings to Administrative Law Judges (ALJs). The scope of an ALJ's authority is defined in OAR 860-001-0090. The ALJs make evidentiary and other procedural rulings, analyze the contested issues, and present legal and policy recommendations to the Commission.

Hearing Rights: You have the right to respond to all issues identified and present evidence and witnesses on those issues. *See* OAR 860-001-0450 through OAR 860-001-0490. You may obtain discovery from other parties through depositions, subpoenas, and data requests. *See* ORS 756.538 and 756.543; OAR 860-001-0500 through 860-001-0540.

Evidence: Evidence is generally admissible if it is of a type relied upon by reasonable persons in the conduct of their serious affairs. *See* OAR 860-001-0450. Objections to the admissibility of evidence must be made at the time the evidence is offered. Objections are generally made on grounds that the evidence is unreliable, irrelevant, repetitious, or because its probative value is outweighed by the danger of unfair prejudice, confusion of the issues, or undue delay. The order of presenting evidence is determined by the ALJ. The burden of presenting evidence to support an allegation rests with the person raising the allegation. Generally, once a hearing is completed, the ALJ will not allow the introduction of additional evidence without good cause.

Notice of Contested Case Rights and Procedures continued

Record: The hearing will be recorded, either by a court reporter or by audio digital recording, to preserve the testimony and other evidence presented. Parties may contact the court reporter about ordering a transcript or request, if available, a copy of the audio recording from the Commission for a fee set forth in OAR 860-001-0060. The hearing record will be made part of the evidentiary record that serves as the basis for the Commission's decision and, if necessary, the record on any judicial appeal.

Final Order and Appeal: After the hearing, the ALJ will prepare a draft order resolving all issues and present it to the Commission. The draft order is not open to party comment. The Commission will make the final decision in the case and may adopt, modify, or reject the ALJ's recommendation. If you disagree with the Commission's decision, you may request reconsideration of the final order within 60 days from the date of service of the order. *See* ORS 756.561 and OAR 860-001-0720. You may also file a petition for review with the Court of Appeals within 60 days from the date of service of the order. *See* ORS 756.610.
