DISPOSITION: HEARING CANCELLED

On August 13, 2004, the Industrial Customers of Northwest Utilities (ICNU) informed me that all parties agreed to waive cross-examination of witnesses. Based on this information, it is not necessary to hold a hearing. The hearing scheduled for August 19, 2004, is cancelled.

It is still necessary to complete the evidentiary record, however. Please submit one of the following by August 19, 2004:

- 1) A single document listing all evidence to be admitted into the record, signed by each party, or otherwise indicating that all parties agree to the evidentiary record.
- 2) A letter from each party listing all evidence to be admitted into the record on behalf of the party, with a statement that the party has no objections to the introduction of any evidence introduced by another party (listed by another party in its letter).

Dated at Salem, Oregon, this 16th day of August 2004.

Administrative Law Judge
