DISPOSITION: BRIEFS DUE SEPTEMBER 7, 2004

The parties previously agreed to file briefs by close of business on September 3, 2004. On September 2, 2004, Staff moved to extend the due date for briefs until September 7, 2004. The other three active parties in the case, PacifiCorp, Citizens' Utility Board and Industrial Customers of Northwest Utilities do not oppose the request.

The usual practice is for the moving party to explain why an extension of time is needed. This was not done. In the future, requests for extensions of time should include information as to why an extension is needed. However, in light of the Commission's request for further information, and because no one opposed the request, the motion is granted. The briefs are due "in hand" by 5:00 p.m. on September 7, 2004.

Dated at Salem, Oregon, this 2nd day of September, 2004.
