Re: UM 2114 – Investigation into the Effects of the COVID-19 Pandemic on Utility Customers. PGE Report of COVID-19 related costs, savings and benefits

Dear Filing Center:

On October 29, 2020 the Staff of the Public Utility Commission of Oregon (“Staff”) filed a report with the Commission in Docket No. UM 2114. This issue is on the Commission’s November 3, 2020 Public Meeting agenda as item Regular Agenda Item 3.

Staff’s report included a recommendation that the Commission approve the Stipulated Agreement on the Effects of COVID-19 Pandemic on Energy Utility Customers. Staff’s report also included the Stipulation signed by Staff, Portland General Electric (PGE), NW Natural, Pacific Power, Avista, Idaho Power, Cascade Natural Gas, Oregon Citizens’ Utility Board, Community Action Partnership of Oregon, Northwest Energy Coalition, Verde, and Multnomah County.

Paragraph 26 of the Stipulation requires that each utility report itemized utility costs, savings and benefits resulting from COVID-19 to the Commission on a quarterly basis through December 2023. The first report is due November 1, 2020 for the period between March 1, 2020 and September 30, 2020.

Attached is the itemized reporting of PGE’s costs, savings and benefits related to COVID-19 for the period from March 1, 2020 through September 30, 2020. Should you have any questions regarding the report, please contact Stefan Brown at (503) 464-7805.
