Re: Emergency Line (ePhone) - Partial waiver of OAR 860-032-0200

Dear Ms. Ackerman:

In conjunction with this Tariff filing Mt Angel Telephone is requesting your approval of a partial waiver of OAR 860-032-0200, specifically the Directory Listing portion of the rule. An ePhone is considered less than premium service and customers ordering this type of service do not expect the full benefits of a premium telephone line.

Therefore we are requesting that a Directory Listing not be required for this type of service.

Respectfully,
