Section 5	Cancels Original Page 19
Section 10	Original Page 4
Section 10	Original Page 5

This filing proposes to standardize the Call Line Identifier offering to reflect the language and charges filed earlier this year for Qwest Corporation d/b/a CenturyLink QC and CenturyTel of Oregon and CenturyTel of Eastern Oregon d/b/a CenturyLink. Minor revisions to the original United tariff language are included as well as language that adds a new condition to make the service available at no charge for up to three administrative lines associated with law enforcement and public safety organizations.

The nonrecurring rates are being changed to better reflect the costs of providing the service. The charges are the same as those for the other two CenturyLink local exchange companies. There are currently no United Telephone Company customers subscribing to the service in Oregon.

Enclosed are confidential exhibits, which contain commercially valuable information and/or trade secrets and is submitted to Staff in confidence pursuant to ORS 192.501, 192.502 and 646.641 Et seq. We understand that you will notify us prior to release of any such information in sufficient time to seek a protective order from the Commission or to otherwise preserve its confidentiality.

If you have questions regarding these changes, please contact me at the telephone number below.

Sincerely,

A handwritten signature in black ink that reads "Dawn Salaver".
