**RE: Advice No.116, Asotin Telephone Company; PUC Or. No. 2
Remove Safety Line & Increase Security Line Bundle Rate**

To Whom It May Concern:

Included in this submission are the following tariff pages for Asotin Telephone Company:

Section IV **Fourth Revised Sheet 20**
Third Revised Sheet 24

The purpose of this filing is first, to remove the Safety Line bundle from the tariff. There are currently no customers subscribing to the service and the Company no longer wishes to offer the bundle.

With this filing, we will also be increasing the Security Line bundle rate. The rate is increasing for the broadband portion of the bundle only. There is no impact on the rate for the emergency basic access line portion of the bundle. There are currently no customers subscribing to this service, so there will be no revenue impact to the Company.

The redlined tariff sheets are also included with this filing.

The proposed effective date is October 7, 2015.

If you have any questions, please contact me at (608) 664-4169.

Sincerely,

A handwritten signature in black ink that reads "Rachelle A. Ladwig". The signature is written in a cursive style with a large, flowing "R" and "L".
