Docket UD ____

In the Matter of

QWEST CORPORATION, D/B/A
CENTURYLINK QC

Petition to Price List Certain Packages and
Bundles

**QWEST CORPORATION, D/B/A
CENTURYLINK QC**

**PETITION TO PRICELIST CERTAIN
PACKAGES AND BUNDLES**

Pursuant to ORS 759.054, OAR 860-032-0035 and OAR 860-032-0200(3),

Qwest Corporation d/b/a CenturyLink QC respectfully submits this Petition to Price List Certain Package and Bundles. The specific packages and bundles that CenturyLink QC seeks to Price List are:

- CenturyLink Business Package (Business)
- Home Phone Extra Package (Residential)
- CenturyLink Business Bundle (Business)
- Unlimited Nationwide Calling Bundle (Residential)

In support of this Petition, and in compliance with OAR 860-032-0035, CenturyLink QC states:

1. Name and address of the public utilities:

CenturyLink
100 CenturyLink Drive
Monroe, Louisiana 71203

2. The service territories of Qwest Corporation d/b/a CenturyLink QC in Oregon:

Qwest Corporation d/b/a CenturyLink QC is authorized by the Commission to operate as a telecommunications utility serving 68 exchanges in Oregon, which are identified on maps on file with the Commission.

3. The services proposed to be price-listed, including the initial price list with the proposed terms and price of the service:

CenturyLink QC proposes to price list the following packages and bundles which are already offered as packages or bundles under approved tariffs (see Attachment A).

- CenturyLink Business Package (Business)
- Home Phone Extra Package (Residential)
- CenturyLink Business Bundle (Business)
- Unlimited Nationwide Calling Bundle (Residential)

These packages and bundles are identified in Section 5 of Qwest Corporation d/b/a CenturyLink QC's Exchange and Network Services Tariff PUC Oregon No. 33.

The initial prices of these packages and bundles shall be the current tariffed rates.

As set forth in ORS 759.054(1) and OAR 860-032-0035(11), after the Commission authorizes CenturyLink QC to price list these packages and bundles, CenturyLink may file revisions. Withdrawal of, and revisions to, these price-listed packages and bundles will be effective immediately upon filing with the Commission unless a later date is specified. The price for these packages and bundles will comply with all applicable rules such as OAR 850-032-0035(7) which requires the Company to set rates at or above the long-run incremental cost; and OAR 860-032-0035(8) which requires the Company to set rates for a package of services equal to or greater than the tariffed rate(s) for the essential service(s) plus the long run incremental cost(s) of the “non-essential” service(s) in the package.

4. The Public Utility Commission’s jurisdiction over price listing the service:

The Commission has jurisdiction to order price-listing of non-essential products and services, pursuant to ORS 759.054(1).

5. Statement from each joint provider of the service that it agrees to the price list:

CenturyLink QC does not currently anticipate that there will be joint providers of the services or products that will be packaged and price-listed. CenturyLink QC will be the sole provider of each service it provides in these packages and bundles. If there are such joint providers in the future, CenturyLink QC will provide the statement required by OAR 860-032-0035(1)(d) at the time a price list for such a package or bundle is filed with the Commission.

6. The products and services CenturyLink QC proposes to price list are not essential.

For purposes of this Petition, the package or bundle itself will constitute the “product or service” to be price-listed, and not the individual components of the package or bundle. The individual products and services included in these packages and bundles will be readily available from CenturyLink QC on an individual basis at tariffed rate(s) approved by the Commission or at rates established in CenturyLink QC’s price lists. The individual services included in these packages and bundles will continue to be included in CenturyLink’s filed tariffs or price lists. Therefore, consumers will continue to have the option to assemble their own “package” of products and services at tariffed and price-listed rates.

ORS 759.054(1) and OAR 860-032-0035(4) authorize the Commission to permit a telecommunications utility to price list services and products solely on the basis that the services are “not essential,” without any requirement that such products or service be subject to competition. Under OAR 860-032-0035(6)(J), there is a rebuttable presumption that a package or bundle of telecommunications services is not essential, provided each service within the package or bundle is readily available to customers on a separate basis. The packages and bundles of products and services that CenturyLink QC proposes to price-list are not essential because the individual components are available from CenturyLink QC at tariffed or price-listed rates. Therefore, CenturyLink QC is not required to make any specific showing under ORS 759.054 or OAR 860-032-

0035(5) that the packages or bundles themselves or their individual components are subject to competition.

7. Price-listing of the packages and bundles in this petition is consistent with the public interest.

CenturyLink QC does not seek authority to deregulate or exempt from regulation in whole either the package or bundle of products and services or the individual regulated products and services included in the package or bundle. In doing so, CenturyLink QC seeks to exempt the package or bundle from the requirements that the Commission pre-approve any price changes or the withdrawal from the market of the package or bundle. The individual products and service that make up this package or bundle shall remain subject to regulation and the Commission's authority over the introduction, pricing and withdrawal of the individual regulated component services shall remain unaffected by approval of this Petition.

The public interest does not require full tariff regulation of these packages or bundles of products and service because the individual components for the packages or bundles are available in the marketplace from CenturyLink QC at comparable and competitive rates. In addition, the price for these packages and bundles will not exceed the sum of the tariffed and price-listed rates of the individual components of the packages or bundles.

///

CONCLUSION

For the above reasons, CenturyLink QC requests that the Commission grant this Petition and authorize CenturyLink QC to price list the following packages and bundles on the terms set forth in this Petition.

- CenturyLink Business Package (Business)
- Home Phone Extra Package (Residential)
- CenturyLink Business Bundle (Business)
- Unlimited Nationwide Calling Bundle (Residential)

Respectfully submitted this 30th day of November 2017.
