The Citizens' Utility Board of Oregon ("CUB") supports the adoption of the rule changes proposed in this docket. CUB participated in the investigation docket giving rise to this rulemaking docket—UM 1547—by attending the June 18, 2012 workshop and filing comments on May 29, 2012. CUB believes that the proposed rule changes set forth by Staff appropriately address the problem of long distance calls not being completed in rural areas, and therefore is supportive of the proposed amendments to OAR 860-032-0007. CUB has no further comments at this time.
