Re: Docket AR 567

Idaho Power Company ("Idaho Power" or "Company") appreciates the opportunity to file these supplemental comments on the proposed revisions to the Public Utility Commission of Oregon's ("Commission") administrative rules relating to billing error reporting.

On October 17, 2012, the Commission granted Portland General Electric Company's motion to extend the deadline for filing comments in this docket. Thereafter, Idaho Power engaged in a collaborative process with Staff and representatives of Portland General Electric Company, PacifiCorp, Avista Utilities, Cascade Natural Gas and Northwest Natural Gas Company to develop revisions to draft rule OAR 860-021-0170 that would address concerns raised by Administrative Law Judge Patrick Power at the October 4, 2012, hearing.

On November 20, 2012, Staff filed supplemental comments along with the revised draft rule that was developed through the collaborative process discussed above. The Company supports the revised draft rule filed by Staff on November 20, 2012. The rule was the result of the collaborative process and addresses the concerns raised at hearing.

Very truly yours,

Adam Lowney
