**Re: PGE AR 601 Comments on Rulemaking Regarding Severe Weather
Moratorium**

Portland General Electric Company (PGE) submits the following comments in response to the Division 21 rule proposed by Commission Staff (Staff) regarding a moratorium on disconnections during times of severe weather. PGE appreciates the collaborative rulemaking process and supports the proposed rule as written.

Should the rules be adopted as proposed, with regard to section (7) of the proposed rule requiring utilities to notify the Commission's Consumer Services of the weather reporting service it will use in each geographic area served by the utility. PGE will continue to observe daily forecasts from the National Weather Service forecast office in Portland, Oregon. These daily forecasts cover the entire PGE service territory.

Please direct any questions regarding these comments to Peter Davis at (503) 464-8068. Please direct all formal correspondence and requests to the following email address pge.opuc.filings@pgn.com

Sincerely,
