Judge Grant,

As you are aware, the Klamath Water Users Association, along with the Klamath Off-Project Water Users, the United States Bureau of Reclamation and the US Fish and Wildlife Services, filed an Issues List in this proceeding on July 29, 2005. Since that time, we have been in communication with other parties to this proceeding in an effort to reach an agreement regarding the issues to be addressed in this investigation. We were unable to reach agreement with the so-called Joint Parties' as there are issues we believe are critical to the Oregon Public Utility Commission's investigation in this proceeding that other parties disagreed with including in the issues list. The issues included in the list filed on July 29, 2005 that have been excluded from the Joint Parties list were set forth in Section 2(c) (vi) and Section 2(f) of the issues list filed by KWUA, KOPWU and the United States agencies on July 29, 2005.
