**Subject:** UE 297 - PGE Renewable Resources Automatic Adjustment Clause - Status Report

Judge Arlow:

I apologize for not submitting a status report in this docket by yesterday, and hope that this email will be sufficient. The parties are working on a Stipulation to resolve this docket and the related deferral docket. We anticipate filing the Stipulation within a week to ten days.

If you need more information, or a more formal filing, please let me know.

Doug Tingey  
Associate General Counsel  
Portland General Electric Co.
