Subject: Solar Report
Date: Wednesday, August 10, 2016 11:51:39 AM

Dear PUC Commissioners,

Please change the tone and content of the draft solar report. The current draft will not be helpful to the legislature.

From a Contractors perspective The EnergyTrust of Oregon (ETO) solar program is professionally ran for both contractors and consumers. Without the ETO incentive our market would decrease quite considerably.

Thank you for your time.
