Re: UM 1437; In the Matter of TracFone Wireless, Inc. Application for Designation as an Eligible Telecommunications Carrier

Dear Judge Wallace:

Paragraph 14 of the Stipulation filed by all parties in the above-captioned matter on June 10, 2011 requires TracFone to submit additional documents to the Commission prior to its designation as an ETC. For your reference, Paragraph 14 provides in pertinent part:

Also prior to designation as an ETC, TracFone will work with Staff to submit to the Commission an accurate map identifying TracFone's ETC and ETP designated service area, which will be consistent with Exhibit A and comply with initial designation requirement 3.1.1 in Appendix A of Order No. 06-292.

In compliance with Paragraph 14, TracFone hereby submits to the Commission as Exhibit A a map identifying TracFone's ETC and ETP designated service area. TracFone also submits as Exhibit B a map identifying its wireless coverage area in the State of Oregon. Commission Staff has reviewed and approved these maps for filing with the Commission.
