

March 19, 2024

Oregon Public Utility Commission P.O. Box 1088 Salem, OR 97308-1088 puc.filingcenter@state.or.us

RE: UM 1908 – QWEST CORPORATION, UNITED TELEPHONE COMPANY OF THE NORTHWEST, CENTURYTEL OF OREGON, and CENTURYTEL OF EASTERN OREGON, Joint Petition for Approval of Price Plan Pursuant to ORS 759.255 and Partial Exemption Pursuant to ORS 759.052.

To whom this may concern:

In the attached confidential and redacted documents, CenturyLink files call logs from the toll-free, 24/7 dedicated customer support line for the period of September 28, 2022, through March 12, 2024. This response goes back to the date of deployment of the toll-free, 24/7 dedicated customer support line because a manual process was added to collect and present additional information that the Commission in Order 23-109 (the "Order") indicated was lacking from prior reporting.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Peter Gose

Director State and Local Government Affairs

What Was the Service Problem?	Charific Stans to Correct Issue?
	Specific Steps to Correct Issue?
Never spoke with agent-IVR	Never spoke with agent
Agent transferred to repair	Agent transferred to repair
Same customer transferred	Same customer transferred
customer was midrected-no issue reported	customer was midrected-no issue reported
customer was midrected-no issue reported	customer was midrected-no issue reported
line going down-create dispatch	tech was dispatched-no notes found
agent didn't handle circuit	transfererred to correct department
no service problem at time	agent gave information they had
get line connected after buried	agent advised would create ticket
was helping customer resolve issue-got disconnected	call was disconnected
no caller on line when agent picked up	no caller on line when agent picked up
no caller on line when agent picked up	no caller on line when agent picked up
danielle from puc checking if repair line working	danielle from puc checking if repair line working
needed order to correct	customer service not open-agent gave information
refer to customer service	refer to customer service
created dispatch	tech was dispatched-no trouble found
agent gaave ticket number	agent gave ticket number
agent had customer check cords	determined was bad jack-working now
had outage checking on when will be fixed	gave information repair by 7pm
created dispatch	tech went out and no trouble found
didn't speak with agent	didn't speak with agent
current outage-	added ticket to outage-notes show no trouble found
created dispatch	customer cancelled ticket
had unplug phone and back in-working	agent fixed by unplugging and back in
dial tone came back	dial tone came back up
created dispatch	tech repaired issue at central office
n/a	n/a
set up dispatch	tech repaired pair gain
set up dispatch	tech reload controllers in central office
set up dispatch	tech recovered short pair-good to terminal
set up dispatch	tech reload controllers in central office
n/a	n/a
n/a	n/a
created dispatch	customer cancelled ticket
created dispatch	tech noted good to box
set up dispatch	tech out and good to box
agent put on hold-customer hung up	n/a
set up dispatch	tech good to box-no trouble found
transfer to customer care	customer care
set up dispatch	tech out and good to box-no trouble found
customer hung up	n/a
customer hung up	n/a
agent sent instructions on how to return	sent email to return
cordless phone issue not at location to troubleshoot	
agent helped reset phone lines	customer reset phone lines by unplugging and plug b
set up dispatch	
set up dispatcii	tech cut port to clear trouble

set up dispatch	tech noted no trouble found
customer hung up when put on hold	n/a
customer hung up	n/a
outage in area	no notes on when resolved
set up dispatch	tech repaired f2 cable
outage in area	damage to equipment repaired
set up dispatch	tech noted no trouble found
customer hung up	n/a
outage in area	damage to equipment repaired
set up dispatch	tech fixed buried line-good to box
agent had to check schedule and would call back	n/a
agent gave info on dispatch currently scheduled	tech noted cable cut -dug pit and spliced in new pede
set up dispatch	tech short on inside wire
transfer to customer care	n/a
set up dispatch	tech out and good to box
set up dispatch	tech out and good to box
wanted customer to trobuleshoot by calling phone	customer would call back after troubleshooting
set up dispatch	tech out and no trouble found
outage in area	cards replaced in dslam
set up dispatch	customer cancelled ticket saying it was fixed
set up dispatch	customer cancelled saying it was fixed
n/a	n/a
n/a	n/a
outage in area-agent gave estimated repaired	equipment repaired
outage in area-agent gave estimated repaired	equipment repaired
n/a	n/a
voicemail was removed from account-gave cus service	gave customer service number to call when open
outage in area	equipment repaired
set up dispatch	tech out and noted good to box no trouble found
n/a	n/a
customer just wanted to note it-no ticket created	agent said it was noted but no other ticket created
set up dispatch	tech out and repaired F1 cable
n/a	n/a
service was working	agent cancelled ticket
was going to check some things and call back if need	customer will call back
created dispatch	customer cancelled ticket working
set up dispatch	tech repaired line-cut to a different pair
set up dispatch	was part of outage cleared 2/15-repaired pair gain
n/a	n/a
created dispatch	part of outage cleared 3/1/23-replaced repeater
