Oregon Public Utility Commission P.O. Box 1088 Salem, OR 97308-1088 puc.filingcenter@state.or.us

RE: UM 1908 – QWEST CORPORATION, UNITED TELEPHONE COMPANY OF THE NORTHWEST, CENTURYTEL OF OREGON, and CENTURYTEL OF EASTERN OREGON, Joint Petition for Approval of Price Plan Pursuant to ORS 759.255 and Partial Exemption Pursuant to ORS 759.052.

To whom this may concern:

In the attached confidential and redacted documents, CenturyLink files call logs from the toll-free, 24/7 dedicated customer support line for the period of September 28, 2022, through March 20, 2024. This response goes back to the date of deployment of the toll-free, 24/7 dedicated customer support line because a manual process was added to collect and present additional information that the Commission in Order 23-109 (the "Order") indicated was lacking from prior reporting.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Peter Gose

Director State and Local Government Affairs
