**RE: Intrado Communications Inc. – Notification of Name Change
CP 1562, Order 14-326**

Dear Mr. Dougherty,

This filing is submitted on behalf of Intrado Communications Inc. (the “Company”) to notify the Commission that the Company has changed its name to West Safety Communications Inc. The Company respectfully requests that the Commission issue an updated certificate, if applicable, to reflect the Company’s name as “West Safety Communications Inc.” The Company is authorized to provide interexchange non-switched telecommunications services (dedicated transmission services) and intraexchange switched and non-switched services as a competitive provider in Oregon pursuant to authority granted in Docket CP 1562, Order No. 14-326.

A copy of the Company’s name change filing with the Oregon Secretary of State is attached hereto as Exhibit A.

The Company has changed its name as part of a recent rebranding and marketing campaign by its ultimate parent company, West Corporation. Company’s name change does not entail any restructuring, merger or other transaction impacting the corporate existence or management of the Company, and it will not affect the services or rates provided to customers of the Company. Further, customer notice is not required because the Company does not currently have any customers in Oregon.

Should you have any questions regarding this filing, please do not hesitate to contact the undersigned at 407-740-3031 or sthomas@tminc.com. Thank you for your assistance in this matter.

Sincerely,

/s/ Sharon Thomas
