**Re: PacifiCorp's Cross-Examination Statement
Docket UE 170**

On February 9, 2006, PacifiCorp filed its Cross-Examination Statement and Proposed Order of Witnesses in the above-referenced proceeding. The issue for PacifiCorp's cross-examination of USBR witness Cecil Lesley was inadvertently omitted. We will cross-examine this witness on water flow and groundwater pumping.

A copy of this letter was served on all parties to this proceeding.

Very truly yours,

A handwritten signature in dark ink, appearing to read "SJL", written over a horizontal line.
