**RE: UE 300 – PGE’s Sixth Supplemental Filing of Advice No. 15-09, Rule C
Customer Attachment to Facilities**

Portland General Electric (PGE) submits this Supplemental Filing pursuant to Oregon Revised Statutes 756.010(8) and 757.205. PGE originally submitted Advice No. 15-09 on April 3, 2015, with a requested effective date of May 20, 2015. Supplemental filings were made on April 6, 2015, May 13, 2015, June 24, 2015, July 1, 2015, and October 9, 2015.

By Commission Order No. 15-227, PGE’s Advice No. 15-09 was suspended for further investigation not to exceed six months from August 12, 2015. The six months expires on February 12, 2016, less than two weeks prior to a status report that is due on or before February 25, 2016. PGE now requests a three month suspension extension from February 12, 2016 to May 12, 2016 to allow time to resolve outstanding issues.
