RE: UE 308 – PGE Minimum Filing Requirements

Commission Order No. 08-505 in Docket No. UE 198 adopted a list of Minimum Filing Requirements (MFRs) for Net Variable Power Cost (NVPC) proceedings. The MFRs define the documents PGE will provide in conjunction with the initial and update filings in its Annual Power Cost Update Tariff and general rate case proceedings.

Enclosed are an original and three courtesy copies of the MFRs for PGE's initial 2016 Annual Power Cost Update Tariff filing submitted April 1, 2016, in Docket No. UE 308. The MFRs include "supporting documents and work papers" for the following: forward curve inputs, load inputs, thermal plant inputs, hydro inputs, electric and gas contract inputs, wheeling inputs, wind power inputs, and historical operating data.

Attachment 1 is one (1) DVD containing the confidential MFRs. Attachment 2 is one (1) CD containing the non-confidential MFRs. Attachment 3 is one (1) CD containing the load forecast work papers. Attachments 1 and 3 contain Protected Information Subject to General Protective Order No. 16-137.

If you have any questions, please feel free to contact Aaron Rodehorst at (503) 464-8804. Please direct all formal correspondence and requests to the following e-mail address: pge.opuc.filings@pgn.com.

Sincerely,

A handwritten signature in purple ink, appearing to read "Patrick G. Hager". The signature is written in a cursive, flowing style.
