Re: UF 4226(1) - Application Regarding the Issuance of Common Stock – Revised Cover Letter Attached.

Attention Filing Center:

On July 14, Portland General Electric Company (“PGE”) filed an application regarding the issuance of common stock. OPUC Staff’s review determined that there were two minor errors in that cover letter regarding the docket reference and the recommended Commission meeting date. Specifically, the correct docket reference is UF 4226(1) and the correct Commission date for consideration should be September 12. A corrected cover letter is attached. No other changes to the filing need to be made.

If you have any questions regarding this matter, please call Doug Tingey at 503.464.8926.

Thank you in advance for your assistance.
