RE: UI 379 – Withdrawal of Application Requesting Approval of Affiliated Interest Agreement with BNSF Railway Company

On September 12, 2016, PacifiCorp d/b/a Pacific Power filed an Application Requesting Approval of an Affiliated Interest Agreement with Burlington Northern Santa Fe Railway Company (BNSF). The application was related to PacifiCorp's performance of service line maintenance at BNSF's request, including the relocation of certain service and metering to a new BNSF-owned railroad signal crossing cabinet location. The work was completed in accordance with a customer-requested work agreement entered into by and between BNSF and PacifiCorp.

Based on discussions with Counsel for the Public Utility Commission of Oregon Staff regarding the Application, the Company notes that, because PacifiCorp provided services to an affiliate and did not receive goods or services, approval by the Public Utility Commission of Oregon for the agreement is not necessary. Accordingly, Pacific Power withdraws this application. Pacific Power will, instead, make an informational filing under OAR 860-027-0041.

Please direct inquiries with respect to this filing to Natasha Siores at (503) 813-6583.

Sincerely,

R. Bryce Dalley
Vice President, Regulation
