Pursuant to Section 7.3 of the Intervenor Funding Agreement (Agreement), which was adopted in Order No. 07-564, the Citizens' Utility Board submits this final request for payment of \$ 22,166.16 of eligible expenses in docket UM # 1286 from the Northwest Natural Issues Fund. CUB is automatically precertified under Section 5.2 of the Agreement.

On January 25, 2007, CUB submitted a proposed budget of \$41,630. On February 27, 2007, in Order No. 07-068, the Commission approved CUB's budget. On August 2, 2007, CUB filed a request for partial payment for the amount of \$6,157.75, which was approved by the Commission in Order No. 07-337. This leave a balance of 35,472.25 in CUB's approved budget.

Under Section 7.3 of the Agreement, each Issue Fund Grand Request for Payment must:

- (a) *Itemize the expenses, payees and hourly rates for amounts to be reimbursed;*
- (b) *Demonstrate that the expenses are reasonable and are directly attributable to issues and positions pursued on behalf of a particular customer class and consistent with the intervenor's proposed budget;*
- (c) *Provide information sufficient to show that the intervenor has complied with any condition or requirement of the Issue Fund Grant, including, but not limited to, documentation sufficient to show that the intervenor has satisfied the matching fund requirement (i) set forth in Section 6.5 above or (ii) as the Commission may establish as a reasonable condition on Issue Fund Grants, whichever applies; and*

- (d) Specify whether the request for payment is for a progress payment or final payment in full and indicate whether any approved budget amount may be released back to the applicable Issue Fund because the intervenor does not intend to request payment for the full approved budget amount.*
- (a) Attachment A contains a summary of CUB's expenses in this case. Attachment B provides a list of CUB activities by date and Intervenor Funding Task Category, as well as CUB's mailing and travel expenses. Attachment C breaks out each CUB staff member's time by Intervenor Funding Task Category.
 - (b) The expenses incurred are reasonable and directly attributable to the issues and positions CUB addressed in UM # 1286 on behalf of residential customers. In support of this assertion, we supply Attachments A, B, C, which can be compared to CUB's Issue Fund Budget in this case.
 - (c) That CUB has satisfied the matching fund requirement is demonstrated in Attachment A, the summary of CUB's expenses. CUB is seeking reimbursement of 80% of the eligible expenses incurred in this docket. Order No. 07-068 did not include any additional conditions beyond those anticipated in the Agreement.
 - (d) This is a final payment request, and any approved budget amount may be released back to the Company Issue Fund.
 - (e) We note that when our budget was approved, NW Natural was the only gas utility that was participating in Intervenor Funding and Order 07-068 directed that our funding come out of the NW Natural Issues Fund.

In this filing, CUB requests the final payment of our costs in UM 1286 amounting to \$22,166.16. See Attachment A, CUB Expense Summary. The attached documents should allow the Commission to track the time spent on the elements of the case, and we believe that this filing meets the requirements of the Commission.

Respectfully submitted,
November 3, 2008

Executive Director,
Citizens' Utility Board of Oregon

Enc. Attachments A, B, and C

CUB Expense Summary - UM 1286

Lowrey Brown, Utility Analyst	\$75	163.70	\$12,277.50
Shannon Floyd, Business and Projects Mgr	\$40	8.50	\$340.00
<i>Other Expenses</i>			
Printing & Mailing			\$34.72
Travel			\$212.38
CUB Consultant Expenses			
CUB Share of ROE Consultant			
In-House Resources			
20% of Eligible Expenses			(\$5,542)
Total			\$27,708
Total minus 20%			\$22,166.16

Note: Because the CUB invoices track time to 5 decimal points, while the Time by Employee Summary uses two decimal points, there is a small rounding error between Attachment B and Attachment C. CUB's practice is to bill the Issues Fund for the lower of the two amounts.
