Re: Northwest Industrial Gas Users Request for Payment of Final 2007 Preauthorized Matching Grant, NW Natural Account, Docket No. UG 170

Honorable Judge Grant:

The Northwest Industrial Gas Users ("NWIGU") files this request for payment of a final Preauthorized Matching Grant for costs incurred in 2007 from NW Natural's Preauthorized Matching Fund Account for 2007 in the amount of \$322.98. This request for payment is filed pursuant to Section 7.2 of the Intervenor Funding Agreement ("IFA"), which was approved by the Oregon Public Utility Commission ("OPUC") on July 2, 2003, in Order No. 03-388. The IFA was extended by the Commission with its approval of the First Amended and Restated Intervenor Funding Agreement on December 19, 2007 in Order No. 07-564 ("Amended IFA"), which now requires pursuant to its Section 7.2 that all requests for payments for Preauthorized Matching Grants be filed on or before April 1 of each year for expenses incurred in the prior calendar year. The Commission's rules provide that the terms of a Commission-approved intervenor funding agreement will be binding on all organizations seeking a grant under the agreement and will be followed by the Commission in administering the agreement. OAR 860-012-0100(2).

NWIGU meets all of the criteria for payment of a Preauthorized Matching Grant from the NW Natural Preauthorized Matching Fund Account for 2007, as demonstrated by the following:

1. Under the IFA, NW Natural makes available an Annual Grant Amount of \$50,000, which is added to NW Natural's Preauthorized Matching Fund Account each calendar year during the term of the IFA through 2007. IFA at Section 4.2.2. Beginning in 2008, this amount increases to \$57,500 for each year under the Amended IFA. This is NWIGU's final Request for Payment for a Preauthorized Matching Grant for Eligible Expenses incurred in 2007, having previously filed and been authorized a Matching Grant of \$5,589.85 for costs incurred from January 1, 2007 through October 31, 2007 pursuant to Order No. 08-005.
2. The Amended IFA became effective on January 1, 2008 under Order No. 07-564 and continues until December 31, 2012. Pursuant to Section 7.2 of the Amended IFA, NWIGU must file a request for payment of the Preauthorized Matching Grants on or before April 1 of each year for expenses incurred in the prior calendar year.
3. A Preauthorized Matching Grant from NW Natural must be used solely to pay Eligible Expenses for Eligible Proceedings involving NW Natural. IFA & Amended IFA at Sections 4.2.2. NWIGU requests the payment of a Preauthorized Matching Grant for Eligible Expenses incurred through December 31, 2007 in the following Eligible Proceeding in 2007: UG 170 (tax implementation for NW Natural). NWIGU requests the payment of the \$322.98 Preauthorized Matching Grant for the expenses listed in Exhibit A, attached, which are Eligible Expenses under Section 7.4 of the IFA and Amended IFA. These expenses are in excess of any amounts recovered through Issue Fund Grants and/or other Matching Fund Grant Requests.
4. A Preauthorized Matching Grant may be provided only if NWIGU demonstrates that it has used in-house resources or outside funding for at least 50% of the Eligible Expenses for Eligible Proceedings. IFA & Amended IFA at Sections 7.2. As shown in Exhibit A, NWIGU has used in-house resources and outside funding for at least 50% of the Eligible Expenses in each of these proceedings.
5. Section 4.2.2 of the IFA requires that NWIGU become precertified (in accordance with Section 5.2 of the IFA) within one year of the effective date of the IFA in order to be eligible to receive a Preauthorized Matching Grant. NWIGU became precertified as eligible to receive intervenor funding grants under Section 5.2 of the IFA pursuant to Order No.04-055, entered by the Commission on February 3, 2004. Funds from NW Natural's Preauthorized Matching Fund Account are available for use exclusively by NWIGU under the Amended IFA, at Section 4.2.2.

Having demonstrated that it meets all of the criteria and conditions for such request, NWIGU requests payment of a Preauthorized Matching Grant from NW Natural's Preauthorized Matching Fund in the amount of \$322.98. NWIGU requests that the Commission grant this request within 30 days of receipt and order NW Natural to pay NWIGU the amount of \$322.98 within 30 days after receipt of the Commission directive, in accordance with Sections 7.2 of the IFA and Amended IFA.
