Re: i-wireless, LLC (UM 1509) Proposed Changes to Lifeline Offering

To Whom It May Concern:

On June 30, 2020, the Public Utility Commission of Oregon (“Commission”) adopted temporary rule amendments, outlined in Docket No. AR 634, (“Temporary Rule Amendments”) that address the need for expanded support by requiring the Oregon Telephone Assistance Program (“OTAP”) to include broadband internet access services for low income customers and the need to expand the supported services to which OTAP benefits apply. The Temporary Rule Amendments increase the amount of OTAP from \$3.50 up to \$12.00 per month if the Company offers, at no charge, unlimited voice minutes and unlimited data.

Pursuant to paragraph 21 of the Stipulation adopted by the Commission in Order No. 15-300, i-wireless, LLC d/b/a Access Wireless (“i-wireless” or the “Company”) hereby submits proposed changes to its Lifeline offering as described in the attached Exhibit D, which replaces Exhibit D of the Stipulation and any previous revisions thereto.

Effective as of July 1, 2020 and continuing through December 31, 2020, existing and new Access Wireless customers will receive unlimited voice minutes and unlimited data pursuant to the requirements in the Temporary Rule Amendments.

The changes to Access Wireless’ Lifeline plans described in Exhibit D do not reflect a reduction in benefits or increase in price and are therefore able to take effect ten (10) days from the date of this filing. However, given that the Temporary Rule Amendments are effective as of July 1, 2020 the Company respectfully requests an effective date of July 1, 2020.
